LIVE MUSIC & DANCE PROGRAMS FOR SENIORS

LIVE MUSIC & DANCE PROGRAMS FOR SENIORS

SUMMIT MUSIC has been presenting outreach concerts in Minnesota since 2011. Now in its 11th Season, the organization is growing and thriving with performances reaching 45 senior communities in MN. Through a partnership with Springboard for the Arts Incubator Program, Summit Music aims to increase arts access for older adults by connecting senior community staff to high quality engaging professional musicians and dancers.

Summit Music is a hub for senior communities to plan year-round professional entertainment for their residents and is home to the innovative pandemic Parking Lot Concerts for Seniors. Our programming is made possible through a combination of hired concerts, donor funded concerts and grants. Contact us today to book artists for concerts, lunch /dinner music, holidays, lobby music and beyond!
